

## Administration duties and collective responsibilities

### Editorial Activity

- Editorial Board of the *Journal of Structural Geology* January 1987 - December 1997.
- Conseiller éditorial of the *Bulletin de la Société Géologique de France* January 1992 - December 1995.
- Chief-Editor of *Geodinamica Acta* January 1993 - December 1998.
- Co-Editor of *Géologie de la France* January 1993 - December 1997.
- Editorial Board of *Geology* January 1996 - December 1998.
- Associate Editor of the *Canadian Journal of Earth Sciences* January 1996 - December 1999.
- Associate Editor of *Terra Nova* since January 1997.
- Editorial Advisory Board of *Himalayan Geology* since January 1997.
- Co-Chief-Editor of *Tectonophysics* April 1998 – January 2010.
- Associate Editor of the *Arabian Journal of Geosciences* since January 2011-December 2014.
- Editorial Board of *International Journal of Geophysics* since January 2011.
- Many reviews for various national and international journals and editor of several “special issues”.

### Laboratory responsibilities:

- Director of the Structural Geology and Tectonophysics group of the ETH-Zürich since the September 1<sup>st</sup>, 1993.
- Director of the Geology team of the Centre Géologique et Géophysique de Montpellier (CNRS): March 1989 - August 1993.
- In charge of the thin-section workshop of the Centre Géologique et Géophysique de Montpellier (CNRS): June 1986 - August 1993.

### Departmental responsibilities:

- Head of the Department of earth Sciences at the ETH 2006-2010
- Member of the Forschungskommission (Research Commission) ETH April 2002-Mai 2007.
- Institute Director January 1997-April 1999, January 2013-January 2015 and since January 2016.
- Vice Director of the Geologisches Institut at the ETH Zürich April 1995- December 1996 and January 2012-December 2013.
- Elected C.N.R.S. member, grade A, in the Conseil de Spécialistes de la 36ème Section from March 1992 to August 1993.
- Elected in the Conseil du Département des Sciences de la Terre of the Université Montpellier II from February 1989 to August 1993.

- Elected C.N.R.S. member, grade B, in the Conseil de Spécialistes de la 36<sup>ème</sup> Section May 1980 to December 1983.
- Delegate of the C.N.R.S. in the UER 9 "Sciences de la Terre" of the USTL from March 1980 to September 1983 and from May 1986 to January 1989.

### National duties:

- Scientific Responsibility of the group "Déformations Ductiles" of the project "G.S. Tethys" from April 1987 to April 1989.
- Member of the Conseil Scientifique "Géologie Profonde de la France" from 1986 to 1988.
- President of the Conseil Scientifique "Géologie Profonde de la France" from 1988 to 1993.
- Member of the Conseil Scientifique "ECORS" from 1988 to 1993.
- Member of the Comité Scientifique et de Planification of the program "Imagerie et Structure de la Terre" from 1988 to 1993.
- Member of the Comité d'Evaluation du Programme ODP-France in 1991.
- Member of the Comité Scientifique de la 14<sup>ème</sup> Réunion des Sciences de la Terre in Toulouse, 13-15 Avril 1992.
- Member of the Conseil Scientifique "Géologie de la France 3D" from 1994 to 2000.
- Editorial board member of the Société Géologique de France from 1992 to 1994.
- Member of the Comité d'Evaluation du Programme ODP-France in 1995.
- Member of the Swiss Commission of Geophysics 1997-2005.
- Member of the Conseil Spécialisé des Sciences de la Terre (CNRS) from 1998 to 2000.
- President of the Comité d'Evaluation de la FR09 du CNRS "Institut des Sciences de la Terre d'Orléans", 5-6 May 1999.
- Member of the Comité d'Evaluation de l'UPR4661 du CNRS "Géosciences Rennes", 9-10 June 1999.
- Member of the Swiss Inter-Union Commission on the Lithosphere 2000-2003.
- Member of the Commission de structure conjoint des Facultés des Sciences de Genève et Lausanne (March 2000).
- Member of the International Union of Geological Sciences for the Swiss Academy of Sciences since 2003.
- President of the AERES Evaluation Committee of "Géosciences Rennes", 4-5 November 2010.
- Member of the Scientific Committee INSU-CNRS 2017-2018.

### International implication:

- Scientific Committee of the *International Association of Structural/Tectonic Geologists*.

- Member of the Conseil Scientifique de l'Office National de la Recherche Géologique et Minière of Algeria since 1993.
- Vice Chairman of the International Lithosphere Program - Himalayan Regional Committee 1997-2000.
- Member of the Swiss International Union of Geological Sciences committee since 2010.
- Member of Evaluation Committee in the Scientific and Technological Thematic Sector Environment for the Greek Ministry of Education, Lifelong Learning and Religious Affairs Since 2010
- President of the Swiss International Union of Geological Sciences committee January 2015-December 2017.
- Several times per year referee for projects submitted to the ARGS (Australia), AWON and NWO (Holland), DFG and Humboldt Foundation (Germany), FCAR. (Canada), FNS (Switzerland), FWF (Austria), INSU-CNRS, ANR and AERES (France), MIUR (Italy), NSF (USA), NERC (GB).
- Several committees for Professorial appointments in several European, American and Asian countries.

### Organisation of scientific meetings:

- Co-convenor of the symposium 20 at the EUG VI (1991). Co-editor of the resulting volume 5 (1-2) of *Geodinamica Acta*.
- Co-organiser of the international meeting *Mechanical instabilities in rocks and Tectonics* in Montpellier 4-6 September 1991. Co-editor of the resulting volume 14 (8/9) of *Journal of Structural Geology*.
- Member of the Scientific Committee of the 7<sup>th</sup> Congress of the European Geological Societies *Connaissance de la croûte européenne par sismique et forage* in Paris, 10-12 September 1991.
- President of the Scientific Committee of the 6<sup>th</sup> International Symposium on the *Observation of the Continental Crust by Drilling* in Paris, 7-10 April 1992.
- Member of the Scientific Committee of the 14<sup>th</sup> Réunion des Sciences de la Terre in Toulouse, 13-15 April 1992.
- Co-convenor of the symposium *Mountain building processes, orogenic collapse and state of stress in orogens* of the EUG VII (1993).
- Co-organiser of the 10<sup>th</sup> workshop *Himalaya - Karakoram - Tibet* in Monte Verità 4-8 April 1995. Editor of the resulting volume 260 (1-3) of *Tectonophysics*.
- Co-convenor of the symposium at the *EUG VIII (1995) Measurements of past deformation rates*.
- Member of the Organisation Committee of the International Symposium *Himalayan Suture Zone of Pakistan* in Islamabad August 30, 1995.
- Co-organiser of the International Meeting *Thermal and mechanical interactions in deep seated rocks* in Prague 27 September - 1 October 1995.
- Co-convenor of the symposium *Dynamics of active margins and collision zones* of the EUG 9 (1997).

- Co-organiser of the international workshop *Europrobe-GeoRIFT*, Zürich 16 - 19 October 1997.
- Co-organiser of the session Collision Tectonics of 24<sup>th</sup> *EGS*, meeting, The Hague 19 - 23 April 1999.
- Co-organiser of the 18<sup>th</sup> workshop *Himalaya - Karakoram - Tibet* in Monte Verità 2-4 April 2003.
- Member of the Organisation Committee of the International Symposium *Deformation-Rheology-Tectonics* in Zürich 2-4 Mai 2005.
- Co-convenor of the *Geology and Tectonics of the Himalayan Orogenic Belt* session of the 35<sup>th</sup> IUGS meeting in Capetown 27 August - 2 September 2016.

### Expert evaluation

For the Conseil Général de l'Hérault: Données géologiques sur les mines d'uranium de Lodève, 1993.

PEGASOS Project (Probabilistic Seismic Hazard Analysis for the Swiss Nuclear Powerplant Sites).

### Membership

European Union of Geosciences.

European Geophysical Society

Société Géologique de France

Société Géologique de Suisse
